Dear TDA House of Delegates,

I am submitting my name for the position of President Elect of the Tennessee Dental Association for 2024-2025. I have served on the First District Dental Society Board as well as the Tennessee Dental Association Board in various capacities since 2008.

My Experience and ability to work with others allows me to carry on with the success of the Tennessee Dental Association. A portion of my focus will be bringing attention to insurance reform, member benefits, and communication among all members and to the public. I respectfully request the consideration for the office of President Elect of the Tennessee Dental Association.
