

To Whom It May Concern:

This letter serves to express my intent to serve as the Speaker of the House of Delegates for the Tennessee Dental Association. I believe that facilitating the business of the House of Delegates is an important task and am looking forward to the opportunity to help our Association continue to move forward.

The Speaker of the House is required to have an excellent working knowledge of parliamentary procedure and a commitment to making this framework accessible to the average Delegate. The goal is to achieve an efficient and effective outcome, not use procedures that can be confusing to intimidate or inhibit discussion on a particular topic. During my term as Speaker, I hope to help streamline decision-making within the TDA to enable us to become a more nimble and responsive organization.

I look forward to the opportunity to serve my colleagues, the Tennessee Dental Association, and the public by facilitating the development of policy and procedures to move dentistry forward for our mutual benefit.

Sincerely,

Ken Randall, DMD
